

Catholic Partnership Schools

need MUSICAL INSTRUMENTS

Gently Used and...Once LOVED (maybe?)

The five Catholic Partnership Schools of Camden, NJ are partnering with Symphony in C to establish a Partnership Ensemble. Of course, we need instruments which are in **good, playable condition** and looking for a youngster who is thrilled at the thought of learning. The purpose of this effort is to collect as many used instruments as possible that might be in storage in attics, basements, closets and garages.

All instruments collected will be the property of the Catholic Partnership Schools and will be on loan to students while they remain active in the Instrumental Ensemble Program (grades 4-5).

WISH LIST

trumpets
saxophones
flutes
clarinets
violins
cellos
drums

Thank you for your gift to Catholic Partnership Schools. Your musical instrument donation will provide our children the opportunity to broaden their horizons through music. An instrument in the hands of a child improves not only their quality of an education but also their life.

On behalf of the children of the five Catholic Partnership Schools, thank you.
